RE: M.A.T.S.S. Kids' Gym Syosset Holds Annual 3 Year Olds ART EXHIBITION

M.A.T.S.S. Kids' Gym & Early Childcare Education Program (www.matsskidsgym.com) held its' fifth annual ART EXHIBITION **#matssartshow**, created by our 3 year old students and curated by their teachers Mr. Chris, Miss Annie & Miss Janice and assistant teachers Miss Danielle, Miss Donna and Miss Noreen.

This very special and unique 3 year old developmental curriculum project had them learn about the history of specific artists such as- Mondrian, Kandinsky, Michelangelo, Pollack & Warhol, their use of color & shapes and provided an opportunity to interpret and create their own pieces of art in the unique styles of their selected artists.

Well over 150 children, their parents and grandparents attended the evening event held Thursday, May 16, 2019.

The evening exhibition of the children's work was on display in their individual classrooms, as well as throughout the facilities reception areas and three large gyms. Individual "About the Artists" on display was also presented in various areas. A craft area and refreshments were available, allowing families and their guests to fully enjoy the evening's experience.

As one grandparent exclaimed *"How marvelous to enrich and explore art this way at such a young age. My grandchild was so excited and got it—such fun!"*

Some of the children's artwork will be on exhibit in the Center's Reception area until the end of the month to allow the Center's other children and visitor's to enjoy.
