M.A.T.S.S. Syosset selected to participate in NYS “Shooting For The Stars” Childcare Initiative Program

Through a generous grant from NYS Office of Children and Family Services, Nassau County Childcare Council has selected four (4) Childcare Centers to participate in a new initiative to promote staff involvement in quality childcare center developmental planning.

Our Syosset Center Director & Owner, Nancy Wohlsen (Ms. Nancy) is delighted to announce that M.A.T.S.S. has been selected to participate in this worthwhile endeavor. The center study process started this spring. It will provide an opportunity to exchange best practices to meet today’s childcare and center needs. Ms. Nancy and her dedicated staff’s hope is to bring greater awareness to the greater community, as we personally strive each and every day to bring the best nurturing care and developmental programming to the children and the families we serve.
